

The background is a dark blue, almost black, field filled with intricate, glowing patterns. These patterns consist of numerous thin, wavy lines that flow and swirl across the frame, creating a sense of dynamic movement. Interspersed among these lines are many small, bright blue and white dots or particles, some of which appear to be trailing or leaving a wake behind them. The overall effect is reminiscent of a high-speed data visualization or a cosmic nebula. Centered over this abstract background is the text 'Chicago Crash Data Dashboard' in a clean, white, sans-serif font.
